This inmate has been seen routinely in our Medical unit. His concerns have been addressed each time. On 11/11/23 he was seen and given a liter of IV fluids. On 1/29/24 inmate was sent to NGH, upon his return on 1/30/24 was admitted to the infirmary for observation. He was ordered pain meds for 14 days. On 1/31/24 was given a Toradol injection @ 1130 & 2250. On 2/29/24 was tested for stomach infection (H. Pylori) and it was positive. Antibiotics were ordered. On 2/8/24 was seen by NP Roberson, Meds reordered (routine). On 2/15/24 was seen by Dr Poe. Labs, IV Fluids, Nausea Meds, pain med shot given, stomach meds, oral pain meds ordered. On 3/11/24 seen again by Dr Poe. IV Fluids given, antibiotics ordered, diet change & cat scans ordered. This inmate has been seen and treated several times over last couple of months. He has pain meds ordered but not narcotics. But when he comes to medical he has been given stronger pain meds @ that visit. He was sent to the hospital when the provider believed it was necessary, treated & returned. This inmate can be seen during Sick call daily and triaged by our sick call nurse.

See what I wrote no response to it and they lie they have been doing nothing at all read it and see. See what I'm going to do here.
